Welcome to Wednesday!

As the coronavirus pandemic situation in our community continues to evolve, we too have had to adjust to accommodate.

Today, we'd like to provide you with an update of our hours of operations. For this week only, through Friday, May 29th, we're operating our full-service drive-thru only with extended hours from 8 a.m. to 6 p.m.

We'd also like to give you a heads up for what's coming next week. Next week, beginning Monday, June 1st, our lobby will be open from 10 a.m. to 2 p.m. Our drive-thru will still be open from 8 a.m. to 6 p.m.* Also, thank you in advance for working with us with the new procedures and protocols that will be in place when the lobby does reopen. More information will be available next week.

You can stay up to date on our hours of operations and our availability by visiting our website anytime where our COVID-19 response page will provide you with our most current credit union operations. You can also stay tuned to our Facebook page where we will be sure to post the most recent information as it becomes available.

We look forward to seeing you back in the credit union soon and as safe as possible. Then, and in the meantime, please continue to stay well.

**Hours of operations and available services are subject to change during COVID-19. Thank you for your understanding.*
