

6/1/20

Can you believe it? It's June 1st! We are looking forward to a happy, healthy and safe month of June.

Effective today, Monday, June 1st, we will be reopening our credit union lobby with limited hours from 10 a.m. to 2 p.m. Our drive-thru will remain open with extended hours from 8 a.m. to 6 p.m.*

Please continue to utilize our full-service drive-thru as much as possible.

New safety procedures and requirements have been established within the credit union to help create a safe environment for members and staff.

Some new procedures that will be in place effective today to promote social distancing and a safe environment include:

- having your temperature taken with a no-contact thermometer prior to entering the credit union
- utilizing a face mask or covering at all times during your visit to the credit union
- limiting the number of persons in the credit union lobby at one time
- following all posted signs, arrows and directions provided to direct you through the credit union building
- maintaining a minimum of six feet between all other visitors of the credit union, and from credit union staff when possible
- and more

You can view our full list of Safety Procedures and Requirements for Visiting the Credit Union** on the COVID-19 resource page of our website. This list provides information on before arriving to the credit union, upon entering the credit union as well as some additional rules.

Thank you for your cooperation and understanding as we strive to provide the safest environment possible for our employees and our members.

Additional adjustments to our hours of operations will be available on our website, on our COVID-19 resource page as well as on our social media. So, keep an eye out to stay apprised of the credit union's latest updates.

Until next time, stay well.

**Hours of operations and available services are subject to change during COVID-19. Thank you for your understanding.*
